

Recognizing the importance of environmental protection and sustainable development, **OPENVIEW TECHNOLOGY** implements an Environmental Management System in accordance with the international standard **ISO 14001:2015**

Operating with integrity, responsibility, and consistency, our company is committed to minimizing the environmental impact of its activities, promoting a balance between technological progress, business growth, and environmental respect.

OPENVIEW TECHNOLOGY fully complies with applicable **environmental legislation** and strives for the continuous improvement of its environmental management performance.

Health, Safety, and Environmental Commitment

- *We strive to ensure that our actions cause no harm to our employees and customers.*
- *We protect the environment..*
- *We use materials and energy efficiently in the delivery of our products and services.*
- *We develop energy sources, products, and services in a manner consistent with these objectives.*
- *We are committed to the continuous implementation of new anti-pollution methods wherever feasible, as well as the ongoing prevention of pollution throughout the product life cycle, where applicable.*

- *We manage Health, Safety, and Environmental matters just like any of our other core business activities.*
- *We cultivate a culture in which the personnel of OPENVIEW TECHNOLOGY fully embraces this commitment.*

In this way, we aim to achieve a performance in Health, Safety, and Environment that makes us proud, earns the trust of our customers and society at large, ensures we are good neighbors, and actively contributes to sustainable development ().*

(): By the term "sustainable development," we mean meeting our present needs without compromising the ability of future generations to meet their own needs.*

HEALTH, SAFETY, AND ENVIRONMENTAL POLICY

OPENVIEW TECHNOLOGY:

- *Maintains a systematic approach to managing Health, Safety, and Environmental matters, ensuring compliance with current legislation and achieving continuous performance improvement.*
- *Sets targets for improvement, while measuring, evaluating, and communicating its performance.*
- *Requires its contractors and partners to manage Health, Safety, and Environmental matters in accordance with this policy..*
